Makeup for Teeth:

Tooth enamels and tooth EFX for teeth is for temporary use only. It comes in a small bottle with a brush. You paint it directly onto your teeth and let it dry. It will last for several hours, but will wear off sooner if you eat, rub or abraid your teeth in any way. Mehron white is an ivory, normal tooth color. Kryolan white is pure white, almost supernatural. Kryolan ivory is a normal tooth shade. You can mix for color matching. Mehron gold is looks like gold paint and is not shiny like a gold tooth. Kryolan gold is regular cosmetic grade glitter, it has the shine of glitter, but also the small flakes of glitter as well.
